Michigan Supreme Court,

I am writing regarding the proposed Court Rule No. 2003-47. I am opposed to this proposed rule.

It seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct.

The crisis in the State of Michigan regarding asbestos litigation is the fact that big business, corporations, the asbestos industry and law firms like Dickinson Wright feel free to try to take working peoples' lawsuits out of court and away from juries.

Please do not pass this rule. When harmed, people deserve their day in court.

Thank you for your time.

Sincerely,

Ronald L. Niemi
